This exploded view diagram illustrates the assembly of a built-in oven. The components are labeled as follows:

- 1**: A cylindrical component, likely a fan or motor, positioned at the bottom left.
- 2**: A small metal bracket or clip, shown in a circular inset.
- 3**: A circular component, possibly a knob or a mounting flange, located near the bottom right.
- 4**: A small electronic control module or sensor, mounted on the oven's base.
- 5**: A rectangular component, likely a control panel or display, mounted on the front of the oven.
- 6**: A metal wire rack, positioned at the bottom right.
- 7-7A**: The main oven body, featuring a heating element and a control panel.
- 8**: A mounting bracket or support structure, located near the bottom center.
