New cabinet door and door gasket for 6.x & 10.x

+7(812)987-08-81

From October 2012 the cabinet door incl. door lock and gasket has been changed stepwise.

Furthermore, the door gasket has been changed. The new one has the same dimensions, but because of the style the gasket is not downward compatible.

Also door lock and collecting tray do not fit into old door types!

Unit type	Previous door seal no.	New door seal no.
6.x	#211094	#10012489
10.x	#211095	#10012490
